WE SUPPLY PARTS FOR ALL MAJOR BRANDS: E-Z-GO, CLUB CAR AND YAMAHA

# » PARTS FOR YOUR CARTS

At Carrus we are crazy about parts. Parts for carts to be precise. We can supply you with over 65,000 parts, and we can safely say we have the largest inventory for cart parts in Europe. We supply parts for all the major brands, E-Z-GO, Club Car and Yamaha, both original (OEM) and the A-label alternative: Nivel. Carrus is your go-to partner, as we have several, exclusive distributor rights for Europe.

Every day, our team of enthusiastic professionals work to make sure you get the parts you need, on time and at a fair price. For every question we have a solution, and for every solution we can supply you with the right parts.

**Our main focus lies with resellers.** We believe in building a strong relationship with our customers and helping to expand your business. As we work on delivering the best product at your doorstep, we also want to make your life as easy as possible. Our integrated order system will enable you to let your customers order Carrus parts directly in your personalized web shop, saving valuable time and money in the order process.

**In addition,** we can also supply you with used carts, whether it's for the transportation of people or multipurpose use. Why pay the full price for a brand new cart if you can also get a great deal on a used one?

**Our goal is simple.** We want to be your number 1 partner for cart parts in Europe. No concessions on quality, but with a great price and excellent service. We believe in being a reliable partner, our word is our bond. As we are an independent supplier of parts, we can always offer the best solution.
